

Minister Giorgetti and Councillor Guidesi visit our plant in Pieve Fissiraga

Pieve Fissiraga, 20 May 20220 - On Friday 20 May Itelyum had the pleasure of hosting the Minister of Economic Development Giancarlo Giorgetti and the Lombardy Region's Councillor for Economic Development Guido Guidesi at the Pieve Fissiraga site where Marco Codognola showed them the plant. Our technology allows the group to be a leader in the regeneration of waste oils. It was also an opportunity to tell them about our excellence in the purification of wastewater from the chemical and pharmaceutical industries and in the integrated management of industrial waste.
